 **5<sup>th</sup> Annual Angus Production Sale**

# WELCOME!

We are so thankful for the continued support of our program and for the wonderful friends, family, and customers who have given us the encouragement and inspiration to pursue this life that we cherish so much. We feel so fortunate to be in this business and to be able to interact with the greatest people on earth- the cattle men and women.

Our goal has always been on building a maternally driven breeding program, and we continually strive to make each generation better than the last. This year's offering features bulls from our favorite females that have been required to prove themselves in our environment on limited resources. We have placed a strong focus on developing the bulls slowly to ensure fertility, soundness, and longevity.

This past year has produced record-setting prices- our industry is bright, and excitement has never been higher. It is a great time to be in the cow business!

Thank you so very much for your interest and support of our program. We look forward to working with and building a relationship with each of you!

Sincerely,

*Bucky and Marti Jo Derflinger*
